PL Seria lamp Piro prezentuje się niezwykle efektownie dzięki metalowym klatkom o czarnym matowym wykończeniu, w których umieszczone są okrągłe, alabastrowe szklane klosze. Ta połączona ze sobą surowość i subtelność tworzy unikatową kolekcję lamp, idealną do nowoczesnych i minimalistycznych wnętrz.

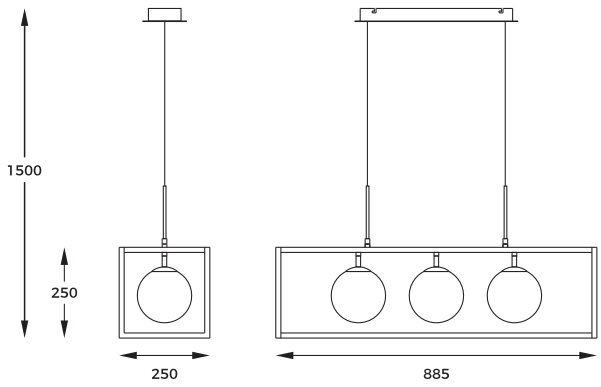

EN The Piro series of lamps looks extremely striking thanks to metal cages with a matte black finish, in which round alabaster glass shades are placed. This combined austerity and subtlety creates a unique collection of lamps, ideal for modern and minimalist interiors.

Każda lampa z serii Madera wykonana jest z litego drewna, które jest jedyne w swoim rodzaju. Struktura drewna, wybarwienie oraz usłojenie mogą być różne w ramach tej samej serii. Dzięki temu każda z lamp jest niepowtarzalna, co jest jej niezaprzeczalną zaletą, a nie wadą.

EN

Each lamp in the Madera series is made of solid wood, which is one of a kind. The structure of the wood, color and grain may differ within the same series. Thanks to this, each of the lamps is unique, which is its undeniable advantage.
